## WPYBLL SPONSORSHIP OPPORTUNITIES

---

---

Dear Neighbor and Local Business,

Warren Park Youth Baseball Little League is a not-for-profit organization that serves boys and girls ages 4-16 from a broad ethnic and socioeconomic base on the north side of Chicago. We provide safe, organized and instructional baseball to approximately 400 children annually. We are a member of the District 12 Little League Baseball organization.

WPYBLL is committed to providing high quality baseball programming to neighborhood youth and as a result, our program has grown steadily over the years. WPYBLL is volunteer-run and operates on razor thin margins. We strive to keep registration fees as low as possible, while offering a high quality baseball experience to all children who want to play. Fundraisers, sponsorships and grants make up the difference between player fees and the actual cost to run the league, including league-funded full and partial scholarships to ensure that every child who wants to play baseball, can.

Games are played evenings and weekends from April through July at Warren Park, which is located at 6601 N Western Ave in Chicago. All coaches, volunteers and board members serve without pay.

As we approach a new season, we're hoping that you will consider supporting the league. We have four sponsorship levels ranging from \$400 for sponsoring a team to \$5,000 for sponsoring the league. But that support isn't a one-way street. When you support WPYBLL, we return the favor. By promoting your business within our community via social posts and encouraging our families and friends to frequent it. It's what our community does-takes care of each other.

With your support, we are looking forward to another successful season.

Thank you,  
Blythe Szafoni
